

3M™ VFlex™ Particulate Respirators 9105 and 9105S, N95

Get more
comfortable
with **value**

Introducing the 3M™ VFlex™ Particulate Respirators 9105 and 9105S, N95 with its unique, flexible fit.

V-shaped pleats expand to provide a comfortable seal while giving you a spacious feel. The pleats flex with mouth movement for easier talking.

The unique embossed 'V' shapes on the front panel are designed to keep filter media away from your mouth.

The tabs on the side are designed as handles for easy positioning of the respirator on your face to achieve a comfortable fit.

This product is available in two sizes - to fit a broad range of faces.

The respirators are NIOSH approved and have the kind of responsive support and access to technical personnel that a brand like 3M can offer.
