Gas Detectors

ALTAIR® Single-Gas Detector

The Altair™ Single-Gas Detector features sensor options for carbon monoxide, hydrogen sulfide and oxygen and will operate for over two years maintenance free. The long lifespan, coupled with the unit's high performance, results in one of the most cost-effective single-gas detectors on the market. Advanced design offers superior dust and water ingress protection and high resistance to RFI. Rubberized housing and one-button operation provide the durability and ease of use users expect from MSA instruments.

- Triple-alarm system featuring two bright flashing LEDs, a piercing audible alarm, and a vibrating alarm.
- Standard event logging.
- Hard polycarbonate case, encapsulated in a thick rubberized shell.
- Extremely resistant to drops and impacts.
- Rated to IP67 protection levels for dust/water ingress.
- Two years or 18 hours of alarm (1080 minutes) warranty.

ALTAIR® Pro Single-Gas Detector

The Altair™ Single-Gas Detector measures and displays concentrations of CO, H₂S or O₂ (depending on version). This accurate, rugged and reliable detector can be used for gas monitoring or to alert the wearer of hazardous situations. The Altair Pro Single-Gas detectors use replaceable sensors and commercially available batteries, and feature a large display with backlight. The standard datalogging records the 50 most recent events, as well as recording the peak gas reading every 3 minutes. The data can be transferred to a computer via the MSA IR communication link (**Part No. 10082834**).

- One-button operation, bump check and calibration.
- Triple alarm system: 95dB audible, visual and vibrating alarms.
- Rated to IP67 protection levels for dust/water ingress.

ALTAIR® 4X Multigas Detector

Exclusive safety features like MotionAlert™ and InstantAlert™ make the ALTAIR 4X Multigas Detector ideal for applications like confined space entry. The MotionAlert sensor activates when a user becomes disabled and motionless, quickly alerting others to the disabled user's location. And with a simple push of a button, the InstantAlert feature enables users to manually alert others to potentially hazardous situations.

The ALTAIR 4X Multigas Detector outlasts the competition. To prove it, the instrument comes with a full three-year warranty, an entire year longer than the industry average, so you can depend on the ALTAIR 4X Multigas Detector to withstand the wear and tear that other portable gas detectors can't.
