

Head-Turners™

- Meets ANSI Z89.1 Class E Standards
- Smooth dome design
- Graphics designed to withstand temperature variances, humidity and exposure to UV light for long-lasting wear
- 4 point ratchet suspensions for absorbing impact
- Available in cap and full brim styles as shown

Warning:

Carefully read this information before wearing this safety cap. This Jackson Safety cap has been designed and manufactured to comply with the performance standards listed inside the cap. It must be used and maintained in accordance to these instructions and standards.

This safety cap and its components should be inspected prior to each use. Attention must be given to any nicks, stress fractures, cracks or any change in appearance. Replace parts that show any sign of change or damage immediately. Always use Jackson Safety replacement components specifically designed for your style of cap/hat. Replace the safety cap immediately if it shows any sign of wear, damage, abuse or environmental degradation. If the safety cap sustains an impact or blow, dispose of it immediately even if there are no signs of damage. Failure to follow these instructions will diminish the degree of protection and could result in serious injury.

This cap and suspension will provide LIMITED PROTECTION by working together to reduce the impact of falling objects striking the top of the cap. This safety cap WILL NOT PROVIDE FRONT, SIDE OR REAR IMPACT PROTECTION. THIS CAP AND SUSPENSION WILL NOT PROVIDE UNLIMITED PROTECTION.

The Head-Turner™ hard hats come packaged in this attractive, full color display box. It is easy to set up. Simply take out of the shipping box and place on your counter or shelf. Combine this packaging with eye-catching graphics and these hard hats are sure to sell.

Full brim hard hats not available in displays.
